One man listened to this argument a moment or two and then remarked that, in case the introduction of the free delivery system was prevented for a reason like this, an ordinance should be passed obliging every one to go to the depot and see the trains come in.

CITY GOVERNMENT.

Regular Meeting of the Common Council Last Evening.

A Proposition to Amend the Charter to Repair West Milwaukee Street at City Expense.

A bill at the Milwaukee City Council for the Fire Department—The Water Commissioners Requested to Take No Further Action in Building the Works.

A regular meeting of the common council was held last evening, at which Mr. President T. T. Croft presided, all the aldermen being present except Ald. George and Judd, both of whom appeared and took their seats soon after roll call.

The journal of the last meeting was read and approved.

The bond and oath of office of Thos. Acheson, as constable of the third ward, was referred to the judiciary committee, found correct, approved and placed on file.

The December report of the Board of Education, showing expenditures for the month of \$1,339.58, was read, referred to committee on school food correct and placed on file.

The resignation of Mrs. E. Richardson as a trustee of the public library, was read and accepted.

Mrs. Mary W. Pease was appointed to fill the vacancy. Appointment confirmed.

The clerk gave notice that notice of the McKee judgment had been served upon him, amounting in the circuit court to \$1,954.83, and in the supreme court to \$80.00, the papers being filed January 21st.

The clerk read a batch of miscellaneous bills against the several funds, which were referred to the finance committee.

Ald. C. C. McLean, of the finance committee, reported in favor of allowing sundry bills against the various funds as follows:

General fund.....\$ 350 00
Fire ward fund.....1 00
City ward fund.....1 00
Fire department fund.....175 00
Gas fund.....1,000 00

.....\$1,527 00

Ald. J. B. McLean, of the fire department committee, stated that the chief engineer, after consulting with the fire department committee, had placed extra teams in service in the department, and that the same would be continued during the deep snow and bad roads.

Ald. J. B. McLean also moved that the committee be authorized to purchase a horse for service on the hook and ladder truck, in accordance with the request of the chief engineer. Adopted.

This required that three men be taken from the membership of that company, making the membership twelve instead of fifteen. As there has been two vacancies in the company for about six months past, the city will be the gainer by this action, besides making the company more efficient, in that it will enable the company to get to a fire in quick time, without firing out the men. It is also proposed to place a couple of fire extinguishers upon the trucks, which will prove a great benefit to the department in extinguishing small fires.

The clerk then read the following ordinance:

AN ORDINANCE to amend section 5 of an ordinance to Prevent Disorderly Practices:

The mayor and common council of the city of Milwaukee do hereby enact that section 5 of said ordinance shall read as follows, to wit:

SECTION 5. No person shall disturb the peace or good order of said city by annoying, yelling, or by making any unnecessary noise or disturbance. And no person shall, on or upon any of the public streets of said city, shout or sing or beat any drum or drum, or play upon any musical instrument, or carry any unfurled flag or banner, or do any act or thing tending to disturb the peace or good order of said city, or to the safety of its inhabitants. Provided, however, that nothing herein shall prevent the use of said streets by any military organization on proper occasions; and provided, further, that any person or persons who, on or upon any of the public streets of said city, shall, first or otherwise, on each occasion, use, or parade, or march in and upon said streets with flags, music and banners; and no person shall, in any manner, join, or take part in any unlawful assembly, riot or riotous gathering, or in any riotous gathering, within the limits of the city of Milwaukee.

On motion of Ald. J. B. McLean the ordinance had a second reading, and was laid over under the rules to the next meeting.

President Croft stated that the following communication had been presented to the mayor for action by the common council.

It was signed by about 240 resident tax payers:

To the Hon. A. J. Lovejoy and the Hon. John Winans:

Whereas, the property owners on both sides of West Milwaukee street, in the city of Milwaukee, Wis., commencing at Milwaukee street bridge and ending at High street, have caused said street and Milwaukee street to be paved; and the same being badly out of repair, therefore we the undersigned resident tax payers of said city, respectfully petition you to introduce and forward a bill in the next legislature to amend the charter of said city as to repair the said portion of said Milwaukee street and keep the same in repair, and that the expense thereof be borne by general assessment of the taxable property of said city, or that the same be paid by the ward tax, or the several wards in which the said portion of said Milwaukee street lies.

There was general opposition to this measure all around the board, the east side aldermen were perfectly willing that the first, fourth and fifth wards pave the street if the tax payers desired, but the aldermen of those wards did not favor the idea, and

Ald. Thoroughgood moved that Senator Lovejoy and Assemblyman Winans be requested not to change the charter. Adopted.

Ald. Fathers offered the following:

Whereas, the Mayor of the city has recently received proposition, for supplying this city with a good system of water, which is no doubt a great benefit to the city, and
